CORE COMPETENCIES

Employee and stakeholder communication · Performance monitoring and reporting · Conflict and issue resolution · Policy implementation · Workforce coordination · Organization and planning · Cross-functional collaboration

PROFESSIONAL EXPERIENCE

Fukang Technology Co., Ltd Sep 2023 – Feb 2025
Material Project Management (MPM) *Vietnam*

- Coordinated Production, Planning, Logistics, and Procurement teams to align material readiness with workforce capacity and production plans.
- Served as the focal point for material shortages, urgent changes, resource constraints, supplier concerns, customer requests, and cross-department issues.
- Supported managers with operational risk identification, mitigation planning, performance tracking, and daily reporting to protect project timelines.
- Maintained databases and tracking tools that improved visibility, decision-making, and workflow coordination across teams.

AZ Vietnam Co., Ltd Feb 2014 – Aug 2023
Director Assistant & Office Operations Management *Vietnam*

- Advised the Director and department managers on people management, workforce coordination, employee concerns, and organizational challenges.
- Supported managers in supervising, guiding, and evaluating employees; monitored task execution, deadlines, productivity, and work discipline.
- Helped resolve conflicts, complaints, and workplace issues while implementing company policies, procedures, and internal regulations.
- Coordinated communication, internal events, transportation, and office activities to keep departments aligned and operations running smoothly.

Syscom Vietnam Co., Ltd Jun 2007 – Dec 2013
Director Assistant & Office Operations Management *Vietnam*

- Coordinated employees and managers across departments, followed up on team performance, and reported operational issues to leadership.
- Gathered employee feedback, supported issue resolution, and organized administrative activities to maintain an effective workplace.

Canon Vietnam Co., Ltd Aug 2005 – Apr 2007
QA Department Operations Management *Vietnam*

- Supported department operations, staff coordination, workflow communication, and leadership reporting.
- Provided Chinese translation for technical projects and cross-functional collaboration.
